## Milford Range of Diaries

### FSC:

The 2018 edition diary range includes the launch of our Milford range of FSC certified Diaries. This range is a mixture of new products and some which have previously been under the Collins brand (Desk Management, Pocket Management, Calendars, Portfolio Management).

Being FSC certified guarantees that the products come from a responsible source. The Forest Stewardship Council (FSC) is an independent, not-for-profit, non-government organization established to support environmentally appropriate, socially beneficial and economically viable management of the world's forests.

The mark of  
responsible forestry

### Promotion:

Consumers will have the chance to win a first prize of 20,000 Airpoints Dollars™ (with a value of approximately NZ\$20,000) or 1 of 10 additional prizes of 2,000 Airpoints Dollars™. They just need to purchase any 2018 Edition Collins or Milford branded diary or notebook and retain the receipt. A sticker on the front cover has directions to a web site for entry details, and terms and conditions.

### Colour Coding:

The A4, A5 and 8x5 base diaries will now have a colour coded sticker adhered to the top left of the front cover. These will identify whether the diary is a Day to Page (red sticker), 2 Days to Page (green sticker) or Week to View (blue sticker). This will help direct consumers to the diary they are looking for in-store.
